

## **DR. VERONICA ANDERSON**

**Medicine World Enterprises is a media company under the management of Dr. Veronica Anderson, host of Wellness For The Real World on Fox Sports Radio (920 The Jersey). We have worked with Dr. Veronica extensively to grow her following across all social platforms, optimize her search engine results, grow her email database, increase webinar registrations and attendance at featured events, generate leads & clients for her consulting services and high ticket coaching programs, and increase listenership for her radio show.**
