

## **MR. FINN CONTENT WORKS**

**Mr. Finn Content Works is a digital marketing and content management firm based out of New York, NY with a major focus on clients in real estate. We worked with the company in developing targeting content distribution and community building strategies for their clients' social media networks, primarily Twitter and Facebook. We worked with several of New York's most prominent real estate figures and their corporations, including Amir Korangy - Founder of The Real Deal Magazine, Julia Boland and The Boland Team of Halstead Property, and David Behin of MNS Real Estate.**
