

## **TRB CONSULTING GROUP**

**TRB Consulting Group is a Management Consulting Firm specializing in Profit-based Sales and Marketing for 20 years. The company has trained and coached over 12,000 Sales, Marketing and Business people in 25 countries ranging from Senior Management teams to Business Owners to Partner Executive teams to Field Sales and Marketing people with multinational clients such as Compaq/HP, Siemens Medical Systems, Microsoft, and Motorola. We led TRB's operational team in increasing their online branding to re-establish their relationships with Fortune 500 clients- ultimately converting them into clients for TRB's high end HR focused coaching programs. We also aided Founder, Mary A Molloy, with book sales and webinar registrations for her work/life balance consulting services, and was a key player in Mary's book, "Design Your Own Destiny: Life Planning for the 21st Century", receiving the 2013 Clarion Award.**
